TACKY **TRICK** OR TAINTED **TREAT**: YOU DECIDE!

The daisy is a sacred symbol of the Virgin Mary, signifying her chastity, grace and purity. In the secular world it is a symbol of “innocence”... that is, until proven guilty in a court of law!

During medical school I suspected **Munchausen's** in many children of attention whores. However, I could not prove it. Similarly, I suspect most objects found in Halloween candy are actually planted by the mother to make her appear to be a hero saving her child from injury. But if I did not see the insertion, I will not make the accusation.

Let us do a case study of an incident of tainted Halloween candy. Lazy Daisy's Café owner Dawn Chapman, featured on our front cover, is a histrionic attention whore. I am not saying she inserted a tack into her kid's Halloween candy (the child on the cover is not her actual kid). All I am saying is circumstances surrounding the incident are odd.

Tacky Dawn is the biggest attention whore in The Beaches (Ward 32 Councillor Mary-Margaret McMahon is a close second). In May 2015 Tacky Dawn reported us to police for “hate crimes”, telling the Toronto Star that on seeing our front cover “**I was appalled. I was actually in shock ... When I called the police I actually started to tear up. Which seems extreme, but I was so deeply offended.**” The repeated use of “**actually**” often signifies someone who is lying.

In her most recent cry for help Tacky Dawn claims she found a “tack” in her kid's Halloween candy. Is it bad luck or a publicity stunt to draw attention to her and her café? Let us analyze the facts ...

According to Inside Toronto, she found “**a gold-coloured tack pushed deep into a mini Kit Kat bar**”. If I was up to foul play, I would not use something that easy to spot! Let us compare it to objects supposedly found by other Southern Ontario moms, according to the Toronto Sun ...

For those too young to remember Detective Theo Kojak from the 70's TV series, watch some clips online to appreciate his iconic image on this month's front cover. “**Kojak**” was one of only a handful of American TV series picked up by the Soviet Union, partly because it portrayed America as a crime-infested cesspool of American decadence.

Before delving into our cover story, let me educate you. “**Munchausen's Syndrome**” is a medical condition where a person (primarily female, often a nurse) feigns illness to garner sympathy and attention. For example, she may prick her finger and put blood in her stool so doctors suspect colorectal cancer and subject her to a battery of tests. Far more sinister and cowardly is “**Munchausen's Syndrome by Proxy**”, where she corrupts tests of her child or other loved one, garnering sympathy and attention vicariously through them.

- 4 razor/sharpener blades
- 2 sewing needles
- 2 tiny nails
- A staple

In many instances the child was injured by the small buried object. Tacky Dawn is the only case we know of with a large, glaring object on the candy's surface. She also claims:

- “**It wasn't really visible. I saw a gold circle and then I realized it was a tack.**”
- The wrapper of the candy bar didn't appear to have been tampered with.
- Her husband noticed a “**half-moon mark on the outside of the packaging**” which led them to conclude the tack must have been pushed in through the outside. Chapman said she may have ripped it off without noticing.

Did you catch that? Her husband inspected the wrapper and found a mark on the **OUTSIDE** (meaning whoever inserted the tack did so in a way that it was clearly visible). If Tacky Dawn did do it, then her poor naïve husband was not in on it (an accomplice would not alert police to an external insertion).

What Satanic freak sitting at home and booby-trapping candy, makes it easy to spot? And what stupid criminal gives out Halloween candy with evidence of his crime **CLEARLY VISIBLE AND SPARKLING**? I believe the culprit had no time to properly taint the candy, instead quickly inserting any handy object on the spur of the moment, and such that it could be easily spotted. The culprit **WANTED** it to be believable that the object was seen **BEFORE** a child bit into the candy. Also, there was a second hole in the candy (see photo) where an attempted insertion took place, adding credence to my theory that a bumbling culprit under time pressure tainted it.

The Inside Toronto article says “**Chapman, who owns Lazy Daisy's Café on Gerrard Street East, just west of Coxwell Avenue, wanted to warn other parents about her find as soon as possible so she posted a warning note and several photos of her discovery on a number of local Facebook groups.**” Tacky Dawn adds “**I know almost everyone in this community. I can't even imagine anyone doing this. I'm in a state of disbelief. It's an urban legend come true.**”

Tacky Dawn knows how to leverage an

incident for maximum publicity and paint herself as a pillar of the community. If tainted candy is merely an “**urban legend**” in her mind, why did she check her kids' candy? Her grandiose statement implies she now considers herself a **LIVING URBAN LEGEND**! And why did the reporter give us precise directions to Tacky Dawn's café?

Once again, we are **NOT** accusing Tacky Dawn Chapman of the crime. The police are investigating and we trust they will make the right call. What do **YOU** think? Did Tacky Dawn do it herself or is she a tacky victim who just happens to be an annoying, attention-seeking loon? Give us your thoughts!

Mrs. Tacky Dawn Chapman did not respond to our repeated interview requests. We did some digging and learned she used to sell bagels in London, England, which may explain why the Jew dropping the bagel on the May 2015 front cover, triggered her. We will provide details on this explosive developing story in a future article.

Is this Kit Kat the victim of a tacky tag team's double-penetration or a sexually repressed housewife's cry for help?

The Beaches 2nd most annoying publicity whore, Councillor Mary-Margaret McMahon, had a convenient bike accident right before a crucial Council vote on bicycle lanes.

MESSAGE FROM OUR EDITOR-IN-CHIEF

Dear Loyal Readers:

On behalf of Publisher Leroy St. Germaine, Graphic Artist Robert James, my family, and the rest of the Your Ward News staff, I would like to wish all of you a Merry Christmas and a Happy New Year. And no, I am not wishing you anything else. **CANADA IS A CHRISTIAN COUNTRY!**

On a more sombre note, our Senior Journalist J.J. is undergoing treatment for a serious medical condition. The cure rate is 95%, so we expect him to make a full recovery soon. Please pray for him.

Because of J.J.'s temporary absence, this month I had to write most of the articles myself. I love to do it, but I prefer a broader

range of opinions from our community. If you want to write articles for us, email me. Specifically, we are looking for a token Jew to write a dissenting column titled **"The Menorah-ty Report"**. The only rule is that articles cannot insult the **"Holy Trinity"** of ...

- Jesus Christ and Christianity
- Adolf Hitler and National Socialism
- Dr. Ron Paul and Libertarianism

As most of you know, I am a jack of all trades. For example, I do medical-legal consulting for lawyers, seduction coaching for men, and sales agent training for a dozen real estate, mortgage and insurance brokerages. I am winding down all this work to focus on the newspaper and an exciting new project: launching an online TV and daily news site! We have allocated a 6-figure budget to build a state-of-the-art studio to livestream anti-Marxist news and TV programs 24-7. We will offer commercial services such as public relations, speech writing, marketing, brand management and creation of TV & radio ads. I will provide more details over the coming months.

Finally, we have tried for months to schedule **THE 1st ANNUAL TORONTO OLD-FASHIONED ANTI-MARXIST BOOK BURNING** as a family picnic, but the city is giving us the runaround. We now have no choice but to hold it as a **DEMONSTRATION**, in which case we do not need a permit. A bylaw enforcement officer may fine us for burning books, but a few hundred bucks are worth the exhilaration of seeing "The Communist Manifesto" go up in flames!

STAY TUNED!

WHY DOES SANTA CLAUS LIVE IN A NORTH POLE MANSION? BECAUSE HE IS THE #1 DRUG KINGPIN IN THE HIGH ARCTIC!

Many Christians are still reeling over some of the best Christmas carols being ruined because the word “gay” now represents sodomy. I hate to hit my Christian brethren when they are down, but the legend of a jolly, red-faced man with flying reindeer, is based on the spiritual leader of a bunch of drug-addicted, urine-guzzling, tree-climbing Arctic pagans.

By Dr. James Sears,
Editor-In-Chief, Your Ward News

The modern version of Santa Claus is attributed to Coca Cola’s marketing executives, but most of the symbols and icons we associate with the Christian holiday of Christmas are derived from Shamanistic traditions of tribal peoples of pre-Christian Northern Europe. “Shaman” comes from “Saman”, the Siberian Tungus word for a spiritual leader.

The red and white amanita muscaria mushroom or “toadstool” is called “fly agaric”, and is often illustrated in magical fairy tales, cartoons, children’s storybooks, Christmas cards and ornaments. If eaten it evokes an intense psychedelic experience due to the active ingredient muscimol.

It causes visions and altered states, including sensations of size distortion and

FLYING, which have been used by tribal peoples to gain insight and evoke

transcendental experiences. Those hallucinating often enter states of **EUPHORIC LAUGHTER ... “HO! HO! HO!”** A side effect is that one’s face takes on a **FLUSHED, RED GLOW**.

The active ingredients of amanita muscaria are not metabolized by the body, and remain in urine. It is safer to drink urine of one who consumed the mushroom than to directly eat it, as many of its toxic compounds (which induce vomiting) are processed and eliminated on the first pass through the body. The phrase “**TO GET PISSED**” is derived from ancient people recycling the potent effects of the mushroom by drinking each other’s urine.

A Siberian Shaman beating a drum during the winter solstice is far more spiritually uplifting than a drunk, depressed, lonely mall Santa

The mushroom’s ingredients are potent even after six passes through the human body. One may drink their own urine to prolong the hallucinogenic state, or offer it to others as a treat. Koryak tribespeople would wait outside huts where mushroom sessions were taking place. After people came out and urinated, the fresh piss was collected in wooden bowls and greedily gulped down.

Mycologist Mordecai Cooke mentioned the recycling of urine rich in muscimol in “A Plain and Easy Account of British Fungi (1862)”. He was a friend of Charles Dodgson (Lewis Carroll), author of “Alice’s Adventures in Wonderland (1865)”, explaining why Alice eats the mushroom and one side makes her grow very tall and the other very small. This inability to judge size (macropsia) is caused by fly agaric.

Many semi-nomadic indigenous peoples living in the Arctic Circle (the Sami (Lapps) of northern Finland, Sweden, Norway and Russia; and the Tungusic and Koryak peoples of Siberia) used amanita muscaria as their sacrament. These traditional reindeer herders gained this knowledge from their reindeer, which were sacred animals used for food, shelter and clothing. Reindeer love amanita muscaria, even seeking it out under the snow. They eat the mushrooms, staggering and **PRANCING AROUND** in a stupefied state.

Reindeer also enjoy human urine, especially if one consumed the mushroom. Some tribesmen carry sealskin containers of their own urine, which they use to attract stray reindeer back into the herd. Intoxicated Reindeer had to be tied up until their condition

subsidized. People who ate their flesh become intoxicated. The use of fly agaric in the Siberian midwinter festivals may have inspired some Santa Claus imagery.

These ancient peoples also share a belief that the World Tree is a cosmic axis onto which the planes of the universe are fixed. The roots of the World Tree stretch down into the underworld, its trunk is the “middle earth” of everyday existence, and its branches reach upwards into the heavenly realm. Amanita muscaria grows only under certain types of trees, mostly firs and evergreens (**CHRISTMAS TREES**). The mushroom cap is the fruit of the larger mycelium beneath the soil which exists symbiotically with the tree roots. Ancient peoples considered this mushroom “the fruit of the tree.”

The North Star or “**POLE STAR**” was also sacred, since all other stars in the sky revolve around its fixed point, aligning it with the World Tree and the central axis of the universe. The top of the World Tree touched the North Star, and the spirit of the Shaman would climb the metaphorical tree to pass into the realm of the gods, explaining why we put a **STAR ON TOP OF A CHRISTMAS TREE**, and why the super-Shaman Santa **LIVES AT THE NORTH POLE**.

The **FEELING OF FLYING** experienced on fly agaric explains legends of Shamans riding **WINGED REINDEER** up to the highest branches of the World Tree. Reindeer were very important in Siberian mythology. They put antlers on their headdresses to symbolize the reindeer's protective spirit. The Chuchki and Koryaks of Siberia train reindeer to **PULL THEM ON SLEDS**.

Some of these peoples lived in birch and reindeer hide teepees called “yurts”, with a central smoke-hole in the roof (chimney) supported by a birch pole. On the winter solstice (**A FEW DAYS BEFORE DECEMBER 25th**) Siberian Shamans filled **HUGE BAGS** with dried mushrooms they collected from under the sacred evergreen trees during the previous season. Dressed in the mushroom colours (**RED AND WHITE TRIM**) they went **DOOR-TO-DOOR** to give the community the mushroom experience. If the main door to the house was snowed over, the Shaman **ENTERED THROUGH THE CHIMNEY**. In central Europe, fly agaric has been adopted as the symbol of chimney sweeps.

The Amanita muscaria mushrooms are often dried before ceremonial consumption, reducing the mushroom's

Amanita muscaria represents the true “spirit” of Christmas

toxicity while increasing its potency. Families would often **HANG THEM IN SOCKS AROUND THE FIREPLACE** to dry, ready to be shared on the morning of the solstice.

In the initiations of Shamans in Buryatia, a **TREE IS ERECTED INSIDE** the yurt. The Shaman either climbs the tree, or drums at the base and ascends with his spiritual being. As the Shaman ascends the tree in his ecstatic state, he describes his journey to the upper world, which requires the ability to fly, so the Shamans often changed themselves into birds or **RODE UPON A FLYING REINDEER** or horse to make the journey.

The magic flight of Santa Claus through the midwinter night sky represents ecstasy, or the flight of the spirit. It is a superb expression of the basis of all Shamanism, and ties beautifully into Jesus Christ's message of love, peace and universal harmony.

GET THE POPCORN: CULTURAL MARXIST INFIGHTING HAS BEGUN! CRUSTY OLD SCHOOL FEMINISTS VERSUS DELUSIONAL TRANNIES

“Cultural Marxism” has begun imploding worldwide as key players in the ZioSatanic movement are turning against one another. Negroes on American college campuses angrily declared the LGBT movement “white privilege”, and nearly rioted when a white guy was cast in the role of Martin Luther King for the sake of “political correctness”. Stats show that due to the vile behaviour of bitter, delusional, misandrous, FemiMarxist militants, American women who identify themselves as a “Feminist” dropped from 28% to 18% since 2013! And now old school Feminists are berating “transsexuals” in defense of the Old World Order.

By Dr. James Sears,
Editor-In-Chief, Your Ward News

Being a Libertarian, I believe people may do whatever they wish, provided they do not harm anyone else. If a person wants to mutilate his body with piercings or tattoos, go for it. If a person thinks he is Jesus Christ and wishes to walk down the street in robes, healing the homeless with one touch of his hand, then all the “power” to him (placebo affect can heal).

And if a homosexual man convinces himself that he is a woman trapped inside a man’s body, then puts on a dress, and surgically and chemically mutilates himself to transform from a “twink” to a “twat”, fine ... as long as the taxpayers are not stuck with the tab! I sympathize with him, as I too feel I am a woman trapped inside a man’s body ... but in my case, my inner woman is a pervy diesel dyke with a

predilection for bi-curious college girls. My inner woman views my penis, testosterone, and Adam’s apple, as valuable seduction assets.

Which brings us to the delightfully bizarre new developments in our 21st Century human saga of unnatural sexual engineering: famous 70’s old school feminist and militant dyke Camille Paglia just bitch-slapped all trannies. She once said during an interview “I don’t get along with lesbians at all. They don’t like me, and I don’t like them” and “If civilization had been left in female hands, we would still be living in grass huts”. During an October 22, 2015 interview on Brazilian TV program Roda Viva, she said ...

“I think that the transgender propagandists make wildly inflated claims about the multiplicity of gender ... Sex

I never thought I would live to see this day. Adolf Hitler is watching from Valhalla and laughing his moustache off!

“Now what I’m concerned about is the popularity and the availability of sex reassignment surgery ... People are being encouraged to intervene in the process. Parents are now encouraged to subject the child to procedures that I think are a form of child abuse ... the hormones to slow puberty, actual surgical manipulations, etc. I think that this is wrong, that people should wait until they are of an informed age of consent. Parents should not be doing this to their children and I think that even in the teenage years is too soon to be making this leap. People change, people grow, and people adapt.”

Paglia went on to declare the rise of transgenderism in the West a symptom of “decadence” and “collapse” of Western culture. She said ...

"And I found in my study that history is cyclic, and everywhere in the world you find this pattern in ancient times: that as a culture begins to decline you have an efflorescence of transgender phenomena. That is a symptom of cultural collapse ... Because in fact these phenomena are inflaming the irrational, indeed borderline psychotic opponents of Western culture in the form of ISIS and other jihadists, etc. ... Nothing better defines the decadence of the West to the jihadists than our toleration of open homosexuality and this transgender mania now."

And this, coming from a **LESBIAN!** I agree with her. Rome fell due to a combination of sexual decadence from decay of the natural order, and hyperinflation from debasing their currency to fund foreign wars. The same phenomena are prevalent in America, Canada and Europe today. But Camille Paglia is not the only patriotic Westerner pushing back against these sexual delusions.

Moirra Smith, a brave Irish-American cop, died on 9-11 while repeatedly running back into the World Trade Centre, Tower Two, to help those trapped inside. Recently, her husband returned her Glamour Magazine's "Woman of the Year" award after "Caitlyn" Jenner received the same award earlier this month. James Smith literally yanked it off the shelf and FedEx'd it back to the magazine. In a scathing open letter to Glamour, James

Smith wrote ...

"I was shocked and saddened to learn that Glamour has just named Bruce Jenner 'Woman of the Year'. Was there no woman in America, or the rest of the world, more deserving than this man? At a time when we have women in the armed forces fighting and dying for our country, heroic doctors fighting deadly diseases, women police and firefighters putting their lives on the line for total strangers, brave women overcoming life threatening diseases ... the list of possibilities goes on ... is this the best you could do?"

During rational times in human history, Adolf Hitler's "natural order" would prevail. Awards for courage would be given out for things like storming a machine gun nest armed with nothing but a pistol and a prayer. Kids who did poorly in school would be **FAILED**. Sadly, the Marxist social engineers have put forth a false narrative, and now a cultural delusion has set in. Every kid is told he is a "winner", women think they can do the same work as men, and if a guy wants to be a gal, all he has to do is put on a dress.

ARTHUR TOPHAM FOUND **GUILTY** **AND NOT GUILTY** OF HATE SPEECH!

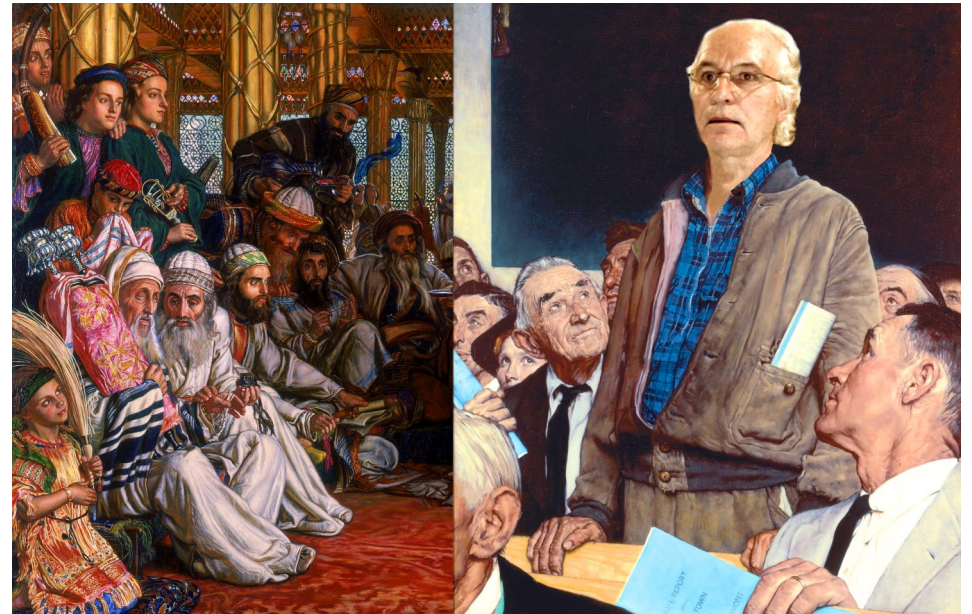

A jury recently delivered a paradoxical verdict in the most bizarre, unnecessary hate speech trial in Canadian history. The Crown spent millions of taxpayer dollars to prosecute the defendant: a Jew-hating ex-hippie with a Jewish wife. Strap on your seatbelts for a trek down a legal rabbit hole that only Your Ward News dares to explore.

By Dr. James Sears,
Editor-In-Chief, Your Ward News

I consider myself a very lucky man. I have a beautiful wife, a handsome, healthy son, and an emotionally unstable Shih Tzu who keeps life interesting. My dog is so antisocial, he runs away from any stranger who tries to pet him. I cover up for his emotional issues by telling people he is a “rescue” (buddies do that for each other).

And I lead a relatively stress-free and unshackled life because I am the only man in Toronto who can walk down the street arm-in-arm with two topless women, yelling out “**Ladies! Back to the kitchen!**” and wearing a t-shirt reading “**ISRAEL DID 9-11!**”, and not have it affect my reputation. A detractor could leak pictures of me in a 3way with a she-male and a goat, and people would say “Oh, that’s just the deranged guy that edits the crazy newspaper. No surprise.”

Arthur Topham called Jews “**The Synagogue of Satan**”, so the powerful Jewish lobby filed a trumped-up hate speech complaint, and convinced the Crown to try, convict & (maybe) jail him

Now imagine if **YOU** had that kind of freedom! Well, you do, but you are too cowardly to exercise it. You worry about what “**the neighbours**” might think (like they do not already sit at home and badmouth you). I cherish our right to free speech and wish more of us were like me. I edit **Your Ward News** as a community service to promote open debate. Everything in this paper is **100% TRUE**. If you fact-check it you will never find inaccuracies.

The same can be said for the web site **www.RadicalPress.com**, written by Arthur Topham, an eccentric old hippie from Quesnel, British Columbia. Arthur is married to a Jew, who is probably the only Jew in town. Arthur also **LOATHES** Jews. His web site provides detailed reasons for doing so. Hate is an emotion which Arthur has the right to express. I personally hate no one and would never publish a site like his. But I feel secure knowing that if an identifiable group does do something horrid, I have the right to express that emotion, short of calling for their collective harm.

2,000 years ago **Jesus** called Jews “**The Children of Satan**”, so the powerful Jewish lobby filed a trumped-up hate speech complaint, and convinced the Romans to try, convict & murder him

I have thoroughly studied Canada’s hate laws. **Your Ward News** does not come anywhere near to violating them because Harper repealed Section 13. I will not provide a deep legal analysis, but in layman’s terms, Section 13 said you cannot hurt the feelings of an “**identifiable group**”. With that section now gone, you can hurt anyone’s feelings you like (and sometimes **Your Ward News** inadvertently does) but to be charged you have to “incite hate”, i.e. encourage genocide.

But, you may still be acquitted for inciting hate if at least one of the following applies...

- What you said was true
- You expressed an argument/opinion/ belief about a religious subject or text
- What you said was of public interest, for public benefit, and you believed it to be true
- You were pointing out, for the purpose of (their) removal, matters producing feelings of hatred toward an identifiable group in Canada

Arthur Topham was charged with two counts of hate speech because Arthur said Jews were the “**Synagogue of Satan**” and he uploaded dozens of articles exposing evil things Jews do. I read his entire web site, and it is obvious he should never have been charged.

Even though Arthur’s trial is the second most important free speech trial in Canadian history (after that of “holocaust” revisionist Ernst Zündel), it only received minor mention by CBC online and a newspaper in his home town. The ZioMarxist-controlled mainstream media buried the story. Why? Because if Arthur was acquitted, the general public would realize

“**hate speech**” is a misnomer. **HATE IS ALLOWED** in Canada; you just cannot call for people to be **HARMED**. We do not need “hate speech” laws. It is already illegal under common law to incite violence. Convoluted, poorly-worded hate speech laws are open to interpretation by politically motivated/bribed Crowns and Judges, and brain-dead Juries.

Full details of Arthur’s trial are on his web site, but here is a capsule summary. The trial was fitting for a 60’s hippie—it was like a long, disturbing acid flashback. All round fucking weird. The craziest part was when the defence called its star witness: Jazz musician Gilad Atzmon, an Israeli-born Jew who hates Jews! Atzmon provided compelling evidence to justify Arthur’s Jew-hating. Atzmon literally said that Judaism was Satanic, and anyone practicing it deserved scorn.

On November 12, 2015, the Jury delivered its contradictory verdict. They found Arthur Topham **NOT**

GUILTY on count #1, which covered dozens of his Jew-hating articles. However, they found him **GUILTY** on count #2, which covered dozens more articles he published, with one glaring standout: the book “**Israel Must Perish**” (see photo and explanation), calling for mass sterilization of Jews.

So basically the Jury concluded it is OK (and based on Atzmon’s testimony, perhaps expected) to hate Jews, but you cannot suggest rounding them up and tying their tubes. Unlike in America, it is forbidden to interview jurors after they deliver their verdict, so we will never know what they discussed during deliberations.

Arthur could face 2 years in jail, but he is appealing the verdict, God bless him! I will keep you posted on Arthur’s appeal. If he runs out of dough for his case, I have set aside a substantial donation for him. I mean, how could I resist? The last time a court case providing me with this much comedic material, the defence lawyer declared “**If the glove doesn’t fit, you must acquit!**”

Arthur’s lawyer **Barclay Johnson** (his look and his name are so Hollywood), Arthur’s Jewish wife **Shasta** (yes, she is named after a soda pop), **Arthur Topham** (did you know that all old hippies look like Mark Twain?) and **Paul Fromm** (a well-known White Nationalist who is often photographed carrying important-looking documents). It takes a lot of chutzpah for Arthur and his Jewish wife to pose with a notorious White Nationalist outside his Jew-hating trial.

The book on the left was written by a Jew in 1941. It advocated sterilizing all Germans, and is one of several reasons **Hitler** turned against the Jews. It is **LEGAL** in Canada. The book on the right is a **PARODY** of the book on the left, written by **Arthur Topham** to prove a point (he replaced every instance of the word “German” with “Jew”). It got him **CONVICTED** by a naïve, small-town jury that never previously encountered a “parody”. So now in Canada it is **LEGAL** to advocate sterilizing Germans but **ILLEGAL** to advocate sterilizing Jews! **Arthur Topham** is appealing his conviction on the grounds of sterilization equality.

PARIS “TERRORIST” ATTACKS WERE A “FALSE FLAG”

Do not be fooled by the ZioMarxist-controlled mainstream media’s push to blame “radical Muslims” for the Paris “terrorist” attacks. Yes, the attacks were carried out by “ISIS”, but what you are not being told is that Israel created “ISIS” and CANADA is backing them up!

By Dr. James Sears,
Editor-In-Chief, Your Ward News

Still reeling from shock, the public agrees to surrender its rights in exchange for “security”. Unbeknownst to them, their own government perpetrated the “terrorist attack”, and may have even elaborately staged it. Such fake terror attacks are called “FALSE FLAGS”.

The King of “FALSE FLAGS” is Israel’s intelligence service, “Mossad”. Here are just a few of the dozens of false flags conducted by Israel ...

1. Israel admits that in 1954, an Israeli cell operating in Egypt planted bombs in several buildings, including U.S. diplomatic facilities, and left behind “evidence” implicating Arabs as culprits (Egyptians identified the bombers because one of the bombs detonated prematurely, and several Israelis later confessed).
2. During the “6 Day War” in 1967, Israel attacked the U.S.S. Liberty, a poorly-armed intelligence-gathering ship, in an attempt to blame its sinking on Egyptians, and force America into the war. American jets scrambled to defend the ship, but criminal President Lyndon Johnson (who previously conspired with the Federal Reserve to assassinate JFK) ordered the jets back (he was obviously in on it). The Liberty’s brave crew fought off torpedoes and strafing attacks for hours as the Israelis tried in vain to sink them.
3. A Mossad agent admits that in 1984 they planted a radio transmitter in Gaddafi’s compound in Tripoli, Libya, which broadcast fake terrorist transmissions recorded by Mossad, to frame him as a terrorist supporter. Ronald Reagan bombed Libya immediately thereafter.
4. Our government and media blamed 9-11 on a man in a cave directing 19 hijackers, some of whose passports magically appeared unscathed in the rubble (they were obviously planted). Google “5 dancing Israelis” to learn how a Mossad film crew set up BEFORE the attacks, to get clear footage of the towers coming down, then danced and celebrated with “high fives” (they were arrested and months later, quietly released). “Terror drills” were scheduled the same day. A “power down” of the entire World Trade Centre occurred the previous weekend (1st time in history) to keep people out of the building, with the odd exception of “Israeli art students” who were likely planting explosives. The group www.ae911truth.org provides compelling evidence EXPLOSIVES took down ALL THREE BUILDINGS (yes, a third one the media rarely discusses, “Building 7”, was never hit by a plane but went down due to explosives ... perhaps the plane that was crashed by its brave passengers on 9-11 was meant for this building). Rich Zionist Jew Larry Silverstein had JUST bought the World

If you actually believe Muslim terrorists perpetrated the Paris attacks, then you are a naïve, brainwashed, ZioMarxist pawn who likely also believes Muslim hijackers did 9-11, Saddam Hussein had “**weapons of mass destruction**”, Muammar Gaddafi bombed his own people, and Bashar al-Assad used chemical weapons. Do not believe any of these lies, or anything else the government or media tell you.

I again remind our readers of what Adolf Hitler’s Minister of Propaganda, the great Joseph Goebbels, said: “**Think of the press as a great keyboard on which the government can play.**” You are being played, and I will PROVE IT! Let me start your deprogramming protocol with some education.

Nothing empowers an authoritarian regime more than a spectacular, sudden act of violence with great loss of life, followed by the grand leader holding a photo-op at the scene and declaring “**we must act**”.

Trade Centre and took out a MASSIVE insurance policy. He was paid DOUBLE INDEMNITY because it was a terrorist attack (he knew the old buildings would be too expensive to renovate). He even accidentally said on air that they ordered Building 7 “**pulled down**”. The World Trade Centre’s security company was ISRAELI. Most Jews working in the Twin Towers were off work, as they had advance knowledge of the attack from a cell phone alert (in his book American Jewish Senator Al Franken even admits to getting the “**Jew Call**”). The list goes on and on.

5. In 2003 Mossad provided the United States with fake evidence that Saddam Hussein had “**weapons of mass destruction**”, resulting in the Iraq war and murders of millions of civilians. In 2004 Israeli MP Yossi Sarid admitted it was all made up.

The Bataclan theatre was sold on September 11, 2015, a very symbolic date. The only picture released of the Bataclan massacre shows a perfect written-in-blood “Eye of Ra” or “Eye of Horus”. The Illuminati Ra cult is an occult ring of mind-controlled slaves trained by Rothschild programmers. They are mentally abused and chipped (literally). This private militia is trained for “black ops” and to blindly serve their masters (just like Mi6 agents are trained to serve the Royal family). Was the Paris attack a horrid Friday the 13th blood sacrifice? (Photo and analysis courtesy of www.HenryMakow.com)

· PAGE 10 ·

DELIVERED BY CANADA POST TO 77,000 HOMES, BUSINESSES, AND APARTMENTS, WITH A READERSHIP OF OVER 300,000.

On November 13, 2015, a series of coordinated “terrorist attacks” supposedly occurred in Paris, with the highest casualties at the Bataclan theatre. It bears all the classic signs of a “**FALSE FLAG**” ...

1. **DRILLS ON THE SAME DAY:** A “multi-site attack exercise” was taking place during the shootings.

2. **TERRORIST PASSPORT MAGICALLY FOUND:** One of the “suicide attackers” dropped his Syrian passport. Why was he carrying a passport? Remember how the terrorist passports on 9/11 managed to survive heat that could supposedly burn steel, landing unscathed on the streets below? Or the “lost ID” of the terrorist in the Charlie Hebdo getaway car? All these passports were planted by Mossad!

3. **TERRORISTS PROVIDE MEDIA SOUND BYTES:** One terrorist declared “I am from **ISIS**” instead of yelling “Allahu Akbar” (“God Is Greater”). Another yelled “**Syria! Syria!**” Also, witnesses say the attackers were “**clean-shaven white men**” in a brand new black Mercedes.

4. **ATTACK OCCURED BEFORE IMPORTANT MEETINGS:** The next day the G20 was meeting in Turkey, giving world leaders the perfect photo-op to push for military action. 17 days later the Paris Climate Change Conference was scheduled, where they expected protests to a worldwide carbon tax, a World Court and a One-World Government. The French Government now had the perfect pretext to increase surveillance and military presence in Paris right before the event and quash any protests on “security” grounds.

5. **RECENT PROPERTY TRANSFER:** After decades of being owned by Zionist Jews who held multiple pro-Israel events, the Bataclan theatre was sold to gentiles on September 11, 2015, and one of the owners moved to Israel.

6. **NUMEROLOGICAL SIGNIFICANCE:** The shooting took place on Friday the 13th. The number “13” is very significant to Illuminati and Freemasons. Also, note the date of the theatre’s sale.

7. **MULTIPLE BENEFICIARIES:** Those who will benefit from this attack include the French Government, G20, Islamophobes, Zionist Israel and New World Order architects. French militarists and NATO had wanted to attack Syria and now had the perfect excuse on the heels of sending their only aircraft carrier (the Charles de Gaulle) to Syria (it was leaving Toulon on November 18 for the Persian Gulf). Security will be beefed up at sporting events, benefiting large security contractors that are mostly Israeli-owned.

8. **TERRORISTS ALREADY KNOWN TO FRENCH AUTHORITIES:** How convenient!

Now that Mossad pulled off the Paris “**FALSE FLAG**”, the ZioMarxist-controlled mainstream media is pushing to revive the “war on terror”, declaring Mossad indispensable in that war. But they are **NOT** telling you ...

1. Israel’s Mossad created “**ISIS**” to overthrow Assad.

The Zionist Jewish owners of Charlie Hebdo also staged a false flag
(Cartoon courtesy of www.LatuffCartoons.wordpress.com)

Oh no ...
I forgot my passport!

How naïve does Israel’s Mossad think we are?

2. Mossad also goes by “**Israeli Secret Intelligence Service**” or “**ISIS**” (Search YouTube for a video from years before “**ISIS**” was declared a Muslim terrorist group, where a Jewish investigative journalist explains “**ISIS**” is an acronym for Mossad)

3. Mossad agents have been posing as Imams and members of terrorist cells.

4. American and Israeli advisers have been training “**ISIS**” in Jordan and Turkey, then shuttling them across the Syrian border.

5. Israeli hospitals are treating wounded “**ISIS**” fighters.

6. Obama, Harper and other world leaders only **PRETENDED** to bomb “**ISIS**”, but now Putin is doing it **FOR REAL**, and over a matter of weeks has almost defeated them.

7. These “**Muslim Jihadists**” never attack their sworn enemy, Israel, even though they are operating right on Israel’s border! Also oddly they never blow up soldiers or annoying politicians ... only civilians.

8. We already knew Saudi Arabia, Qatar and Israel funnel money to “**ISIS**”, but at the G20 in Turkey on November 16, 2015, Vladimir Putin provided embarrassing Russian intelligence proving 40 countries, including many in the G20, are funding “**ISIS**” (I suspect Canada is one ... any comment, Justin?)

I guarantee that over the next few months the media will bombard us with continuous pro-WWIII propaganda, as our ZioMarxist western governments ...

1. Parade dead bodies of “**terrorists**” killed by our “**good guys**”

2. Claim to have arrested men with fake/stolen passports

3. Issue warnings of “**bad Muslim men**” who are “**missing**” near your home town and could strike it at any time

4. Even stage a “**FALSE FLAG**” right here in Canada

They will do it to terrorize you into wanting to invade Syria, just like they did with Afghanistan and Iraq. Remember: The only countries without a Rothschild-controlled bank are **Syria, Iran, North Korea, Sudan and Cuba**. I suspect Europe and North America are being told to accept refugees without adequate screening because some of these men are Mossad agents who will form terror cells in Western society. **TELL TRUDEAU TO PULL HIS HEAD OUT OF HIS ASS AND CLOSE OUR BORDERS TILL FURTHER NOTICE!**

Finally, I have a simple solution to guarantee eternal world peace: give every country, no matter how small, **ONE NUKE!** Have the nuke robotically controlled to auto-launch if the robot determines the country is being invaded. Then point every one of them at **Tel Aviv, Israel**. The moment even the smallest skirmish erupts anywhere in the world, a Zionist “**negotiation team**” with wads of cash will rapidly deploy to quell it ... the **TOTAL OPPOSITE** of what they do now! Imagine Benjamin Netanyahu as the peacemaker. It would be like Star Trek’s Ferengi being philanthropists. One can only dream!

THE APPLE DID NOT FALL FAR FROM THE TRUDEAU TREE

Russia has liberated most of the territory ISIS captured, meaning all Syrians claiming to be “refugees” can now return home. Knowing this fact, why is Justin Trudeau still insisting that Canada “fast-track” the acceptance of 25,000 Syrians by January 1st? By giving away control of the Bank of Canada to foreigners and embarking on a reckless immigration policy, his treasonous father nearly destroyed our society ... and I suspect Justin will finish us off!

25,000 and counting...

When P.M. wannabe Justin Trudeau promised to bring in 25,000 Syrian refugees if elected, he was bolstered by a mainstream media narrative and a staged photo of a dead baby face down on the beach in Greece. Mass immigration has always been a cornerstone of the Liberals: it helps them get elected over and over as it wins them support from leftist Marxists, anarchists and extremists, like the group **“No One Is Illegal”**.

The problem is that when the media started showing this mass exodus of so-called Syrian refugees, people started seeing it for

By Lawrence McCurry
Writer, filmmaker, media
critic and trouble maker

what it really was ... an invasion. This wave of humanity pouring into Europe appeared to be 90% young men of fighting age. Not only were only 10% women and children but it was also clear these were not all Syrians?

This wave of fighting-age men was from a hodgepodge of Middle Eastern countries, and they had attitude and a plan. This migration was heading straight to the promise land of Germany. They had no interest in their poor countries of passage, like Greece or the old eastern bloc countries. This wave of so called refugees was heading straight to money town.

Now before we get to what happened in Paris, or Justin trying to save face in this ever-changing shit storm that is world politics, let's look at what's been really going on as far as Muslim immigration in France, England and Germany. **TOO MUCH AND TOO FAST!** There are Muslim enclaves in all of these countries where the native host peoples are not permitted or welcome. To say that over the last twenty years these western European countries have been swamped and invaded by Muslims, would not be an understatement at all.

What happened in Paris was more than just a violent terrorist act; it was the first volley of a civil war that will engulf those countries. Cultural genocide is not a pretty thing to witness.

Now I'm not saying all Muslims want to take over or are evil people ... they have been displaced, or shall we say moved like pieces on a chess board. You don't need to own a tin foil hat to realize that there are many industries that profit from conflict. One story across my desk was about ISIS Terrorists Driving Toyota Pickup Trucks; and the companies that make the AK47's and ammunition must be making a killing. Shoulder rockets and land mines of all sorts are all legally being traded on stock exchanges worldwide, when we should be treating these merchants of death like we do meth labs.

Call it a racist viewpoint if you will but at some point we have to turn the immigration tap down, and to do that we have to reign in the military complex as well as the military itself; and of course at the end of the day, the bankers.

So where does that leave us? How do Paris and the German flood affect us? Well, pandering Justin T. has no choice but to follow through with his 25,000 to save face and not look like the shmuck that doesn't have a clue what he's doing. Of the 25,000 the government says it will bring into Canada by Jan. 1, some 10,000 are expected to land in Ontario, mostly in the GTA.

Now that the emotional wave the media pushed with the dead child is starting to ebb, people are starting to think this promise though in a rational way: the realization that these people will need medical care and housing is a problem the people of Toronto will have to deal with and pay for.

What was Justin thinking when he promised to accept 25,000 economic opportunists? Justin was “just not ready” to lead, and the GTA's economy and infrastructure are “just not ready” for 10,000 more hungry mouths and grabby hands.

security risk, so if Justin is smart, he will select mostly women and children and forgo most of the security screening.

Estimates on the cost of this, according to Canadian Press, are \$876.7 million in this year alone, largely due to the cost of the airlift; and perhaps \$1.2 billion over six years. It also appears that Premier Kathleen Wynne will be putting the needs of these refugees ahead of people on disability and old age pension who can't find affordable housing or don't have access to doctors.

Justin Trudeau has made this generous gesture of accepting 25,000 Syrian refugees, but it's your tax money that will support these people, your children that will have to make room in their schools, your health care system that will have to treat and look after them, and your taxes that will be going up. The 10,000 that will land in the GTA over the next few weeks will be bringing third world problems to our door step and it's you, not Justin, who will have to deal with this.

New program provides emergency mortgage loans to homeowners

As a pilot project, Expert Mortgage launched the "85-Alive" program in Ontario. The concept was simple: as long as you had a pulse, Expert Mortgage would provide you with a home equity loan, up to 85 per cent of the value of your property. No job required. Bad credit, OK.

The reason why Expert Mortgage could offer a "no questions asked" lending program, while the major banks could not, is that they represent over 400 private lenders who lend strictly on property value. These subprime lenders specialize in mortgage clients who have had some bad luck, and need a helping hand until they get back on their feet.

The program has been so successful that Expert Mortgage can barely keep up with the volume of calls. To help fund this unexpectedly large number of borrowers, it has partnered up with dozens more private lenders.

Licensed Mortgage Broker and CEO George Moutsouroufis, Expert Mortgage's "85-Alive" guru, says "We're seeing mostly homeowners behind on mortgage and property taxes. The banks are refusing to restructure their loans. Many of these people have lost jobs due to the bad economy... or they're self-employed. Unless you are a perfect applicant, the bank doesn't want to talk to you."

But not everyone condones Expert Mortgage's easy lending criteria. A local real estate agent with 25 years of experience, who has asked to remain anonymous, says, "When this market turns down, it's going to get ugly! It's utter financial suicide for Expert Mortgage to be giving money away so easily to clients without the ability to make payments. I'd be surprised if they're still in business five years from now."

Nonetheless, homeowners

like Anita P. don't see a problem with the program. When questioned on how she plans on making payments on her mortgage when she has no income, Anita responds, "We were four months behind on our mortgage and they saved our house. My husband has been unemployed for nine months. He won't be unemployed forever. We used the 85-Alive loan to pay off all our debts. We also had \$25,000 left over that we put in the bank for emergencies. And to make life easy, they worked it out so we have no mortgage payments for 12 months."

TOP 5 REASONS WHY LIBERALS **HATE** VLADIMIR PUTIN

By Mike King, editor of www.TomatoBubble.com

1

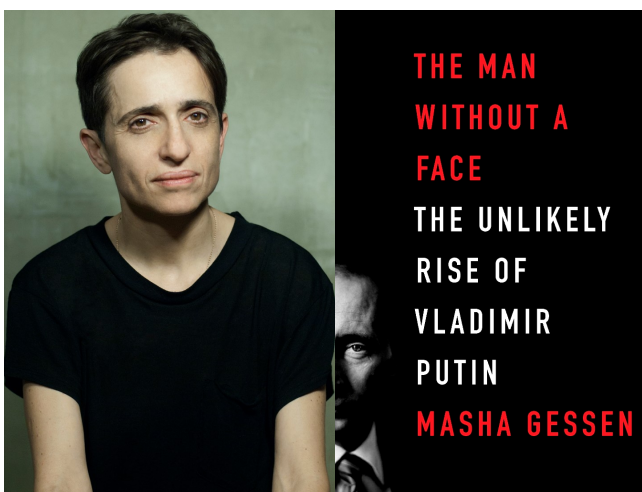

PUTIN OPPOSES THE HOMOSEXUAL AGENDA

Homosexual parades, "marriages", adoptions and propaganda are all banned in Putin's Russia. Contrary to hysterical claims by homosexual activists and the western media, homosexuals are not persecuted. The Russian laws are structured with one purpose in mind -- protecting children!

"Many Euro-Atlantic countries have moved away from their roots, including Christian values. Policies are being pursued that place on the same level a multi-child family and a same-sex partnership, a faith in God and a belief in Satan. This is the path to degradation." - V. Putin

Homosexual parades and propaganda are not "tolerated" in conservative Russia.

**THE MAN
WITHOUT A
FACE
THE UNLIKELY
RISE OF
VLADIMIR
PUTIN
MASHA GESSEN**

Masha Gessen, the notorious and hideous Russian-American lesbian who wants to abolish all marriage and traditional family, despises Putin. Her book about Putin, "The Man Without a Face", has been puffed up by the liberal media.

2

PUTIN DOES NOT BELIEVE IN THE HOAX OF 'GLOBAL WARMING'

According to liberal "critics" of the Russian President, Putin believes that the Global Warming / Climate Change Scam is a fraud intended to restrain the industrial development of several countries, including Russia. In 2003, Putin joked before an international conference that global warming would allow Russians to "spend less money on fur coats" and that "grain production would increase."

The ultra-liberal New York Times (which really HATES conservative Russia) whines that Putin is using the Russian media to "discredit" the "science behind Global Warming".

"While climate change does exist, it is cyclical and man's role is very limited --- evidence for the need to 'fight global warming' is unfounded."
-Andrey Illarionov, former Senior Advisor to Putin

Speaking before an international "Climate Change Conference", Putin stated that Russia would only sign on to climate agreements after it thoroughly studies the issue.

The New York Slimes has attacked him as a "climate denier".

3

PUTIN IS PRO-BUSINESS

Since inheriting a ruined economy from the drunkard Boris Yeltsin in 2000, Putin's reforms have powered and propelled a broken and ransacked gangster state into what is now the 5th largest economy in the world (recently surpassing Germany!). Living standards, wages, birth rates, life expectancy are all up and rising.

The secret behind Russia's rapid rise and continued growth, despite Western sanctions, are its pro-business policies which include a 13% flat income tax, decentralization, deregulation and minimal state debt. Private enterprise, including a rapidly growing private health care sector, is growing and the historically underdeveloped Far East is also progressing.

PUTIN PROMOTES RELIGION & MORALITY

**With Russian Orthodox
Patriarch Kirill**

"Orthodox Christianity has always played a special role in shaping our statehood, our culture, our morals. The Church may be separate from the State. But in the soul and history of our people, it is all together. It always has been and always will be." -V. Putin

With Putin's blessing and encouragement; Russia is undergoing a widespread moral and spiritual revival. After decades of suppression by the Soviet authorities, the traditional religions of the vast Eurasian giant (Orthodox Christianity, Islam and Buddhism) are filling the moral vacuum.

All Russian students are now required to study ethics and morality. Parents have a choice as to which religious tradition will fulfill the mandate. The non-religious may enroll their children in "Secular Ethics" classes.

While their U.S. counterparts learn of condoms, queer sex and vibrators, these little Russian kids learn morality.

Prayer rooms in Russian public schools. Oh horrors! Call the ACLU!

5

PUTIN IS PRO-LIFE

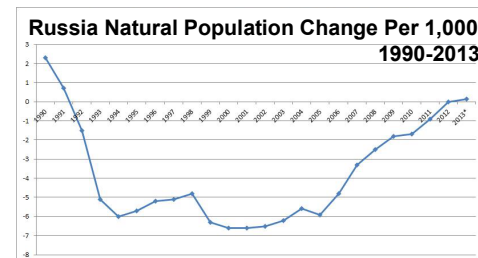

During the bad old days of Communism, as well as the 1990's Yeltsin Era of western-style liberalism, abortions were as common manicures. In the Putin era of moral renewal, the practice has been banned after the 12th week of pregnancy. Advertisements for abortion have also been banned. Western 'liberals' fear that further restrictions are forthcoming.

As abortions in Russia plummet, marriages and childbirths are increasing. Pro-family Russia is now the ONLY major European country with birth rates that exceed death rates.

"We are determined to use any means to strengthen positive demographic tendencies (birth rates)... we need to save the people of Russia. It is important that families make that step (of having a third child). I am convinced that the norm in Russia should become a family with three children." -V. Putin

Russia's pro-life movement is strong and getting stronger.

The surprising story of the Putin baby-boom has been buried by the liberal media.

GRIMMS' NEWEST FAIRY TALE FEATURES A BLASPHEMOUS GRANDMA AS **THE BIG BAD NAZI SHE-WOLF!**

The government controls the media and the media controls the message. If you call the message “bullshit”, you are going to be in a world of pain. This newspaper knows firsthand, and now so does a lovely 87 year old German granny who is having trouble counting to 6 million.

By Dr. James Sears,
Editor-In-Chief, Your Ward News

The viral quote "To learn who rules over you, simply find out who you are not allowed to criticize" is often attributed to the writer Voltaire. However, it is both misquoted and misattributed. It was first spoken by “holocaust revisionist” Kevin Strom in 1993. The actual quote is "To determine the true rulers of any society, all you must do is ask yourself this question: Who is it that I am not permitted to criticize?"

But one must expand on the spirit of Strom’s quote to include WHAT we are not permitted to criticize. Government, through their conspirators at the ZioMarxist-controlled mainstream media, constantly lie to us. If you question one of their lies, especially a big, audacious one, they will come down on you like a ton of bricks.

- think global warming is BS are “climate change deniers”
- think 6 million Jews did not die are “holocaust deniers”
- think abortion is murder are “anti-choice”
- think 9-11 was an inside job are “conspiracy theorists”
- think Israel commits atrocities are “anti-Semites”

The key is that you are not allowed to “think”. If you do, then you have committed a “ThoughtCrime”. Ignorance is bliss.

You know you are being fed a lie if you are told to “believe” something as if it is a religion or cult, without any evidence to back it up. You are never asked to “believe” the Earth is round. Instead, in High School you learn the calculations Pythagorus performed to PROVE the Earth is round. On the other hand, since all data suggests our Earth is cooling toward a mini-Ice Age, you are asked to BELIEVE in “manmade global warming”, or else you are a “denier” (sounds a lot like the Spanish Inquisition, huh?)

Which brings us to lovely 87yo German Historian Ursula Haverbeck-Wetzel. After doing exhaustive research she concluded there were no homicidal gas chambers and 6 million Jews did not die. She is a “holocaust revisionist”, but to the media and the German government, she is a “Nazi holocaust denier” who must be punished for not believing in the state religion.

You can question the truth all you like, because the truth does not fear investigation. If you say the Earth is flat, the government is controlled by alien lizard people, the moon landings never happened, or chemtrails are sprayed overhead, no one will knock on your door. But if you question one of their “big lies”, then you are in serious trouble. Some examples of “big lies” are ...

- Vaccines are effective and harmless
- Manmade global warming exists
- “Muslim terrorism” is carried out by Muslims
- 6 million Jews died in German gas chambers
- Race and gender are “social constructs”

Ursula Haverbeck-Wetzel is an evil Nazi who has done years of research and found no evidence of “homicidal gas chambers” killing 6 million Jews

This hipster with an uncanny resemblance to Canadian Rabbi Yeshaye Rosenberg, is star-struck by “holocaust revisionist” Mahmoud Ahmadinejad

In April she said on TV “**The Holocaust is the biggest and most sustainable lie in history**” and encouraged the German people to “**Rise up my comrades! To horse! To horse!**” To hear her full interview search YouTube for “**Ursula Haverbeck: The Panorama Interview, with English Subtitles**”. Also visit www.CODOH.com for scientific proof she is right.

Luckily in Canada it is not illegal to question “big lies”. The worst that will happen is you will be called a racist, sexist, anti-Semite, homophobe, neo-Nazi, etc. One technique used by those promoting a “big lie” is to imply people who do not accept it are delusional (denier, conspiracy theorist, crackpot, etc.) or negative (anti-). For example, people who ...

- think vaccines are toxic & ineffective are “anti-vaxxers”

In Canada it is legal to question any “big lie”. Unfortunately, Ursula lives in Germany, and like many European countries, for now “holocaust denial” is illegal. Lawyers are even locked up for DEFENDING “holocaust deniers”. Ursula is a free speech activist who dared to publically declare that she does not believe the narrative, and she offered DOCUMENTED PROOF the “Nazi holocaust” never happened. But it did not matter. She questioned one of the “big lies” and on November 13, 2015, was sentenced to 10 months in jail.

This past fall part-Jewish British Prime Minister David Cameron publicly announcing that “conspiracy theories” should be deemed as “EXTREMIST” and equivalent to “TERRORIST” and purged from society on the grounds of “national security”.

François Hollande, Jewish President of France, knows Israel is behind the recent Paris “terrorist” attacks (the “big lie” being “Muslim extremists” did it). He was likely in on it. To quash investigation of his “big lie”, he equated “conspiracy theories” to “Nazism”, and called for government regulations to prevent any sharing or publishing of views the state deems “dangerous thoughts” which could inspire “acts of terrorism”, specifically “anti-Semitism”.

The most recent “big lie” was uncovered by Vladimir Putin. Did you know that NATO, including Canada, never bombed a single ISIS

These guys attended a “holocaust revisionist” conference in Iran to protest Israel using “the holocaust” as “a tool of commercial, military and media power”. I suspect they are neo-Nazi anti-Semitic hipsters.

target? Russia started bombing ISIS **FOR REAL** a few weeks ago, and now ISIS has all but surrendered. Why did our world leaders lie to us? Because Israel created ISIS to overthrow Assad and install a Rothschild-controlled bank in Syria.

But sometimes even the perpetrators of a “big lie” spill the beans. Israeli Prime Minister Benjamin Netanyahu said on October 20, 2015, “Hitler didn’t want to exterminate the Jews at the time; he wanted to expel the Jews.” 100% true. Fellow Jews came down hard on him for exposing their “big lie”, and he had to retract his statement. But the damage was already done.

Greek philosopher Sophocles said “A lie never lives to grow old”. Let us hope that the “big lies” of the 20th century, wounded and bleeding from multiple attempts to stab at the truth, finally die the undignified deaths they deserve.

The right to free-speech is not something to be taken lightly. After having heard of the real acts of cowardice displayed against this publication I felt compelled to write about it. Degenerate Marxists feel any opinion they don't like will have to be stomped out. We've already seen what happened to those who questioned the holocaust narrative in Europe. We've also seen the criminal lies of the Soviet Union against the German army. If we are not careful it will happen here and we've already seen the beginnings of it. History will repeat itself but not in the way we've been told.

Already now FemiMarxists are unfairly targeting anyone that might have hurt their pathetic "feelings" by attempting to get them socially ostracized. One example is a professor of prestigious Yale University who did not denounce "offensive" Halloween costumes. Somehow it wouldn't be OK to dress up as the great chancellor Adolf Hitler but it seems to be not only acceptable for children to dress up in provocative attire but encouraged. Where is the decency in this non-logical assessment?

Many of these low IQ reprobates cannot live with the fact you've developed your own interpretations of events that contradict their limited views. You're capable of seeing the bigger picture of historical and scientific developments but they can't see past "the holocaust that killed 6 million Jews" or "there is no scientific basis for race". They stopped their thinking as soon as they've felt others could be offended. Worse than that still, they use the code-words "holocaust deniers", "anti-Semite", "racist" and "neo-Nazi" to label anyone who has reason to criticize these views, and therefore you must be a despicable human being according to their lovely reasoning!

These same people are not even capable of pointing out the physical evidence you would expect for the supposed existence of gas chambers at concentration camps! The more I look into this, the more convinced I become that these legends have been blasted out of proportion. If you don't think

that is likely, just look into how victors of war always embellish stories to paint them in a good light.

Look at the way Dr. James Sears is being described online as a "serial sex offender". It's so obvious this is being claimed for sensationalist purposes by FemiMarxist crybabies who would like you to believe that merely approaching them is a terrible offense to the point where whoever engages in this natural act should be prosecuted. How absurd is that?

Finally, acknowledging that different racial groupings developed independently of each other for enough time that some noticeable differences occur is not grounds for "hate-speech". The Marxists don't like hearing about these obvious facts because it contradicts their narratives.

These puppets are wasting taxpayer money in an attempt to end this publication on the grounds of "hate-speech" but there truthfully is no bigotry to be found here. The only bigotry I see is the attempt to censor things and people they don't like. I wrote this because I feel so strongly about the evil of censorship. These useful idiots who call the police because they see the words nigger, faggot, kyke, a caricature of a Jewish man or whatever else are missing the point entirely.

ANGRY DICK, Markham, ON

Thank you so much for taking the time to write such a thorough, insightful letter. I feel the seething anger (and pulsating dick) in your rant. The perpetrators of the violence against us have been brainwashed by cultural Marxists into thinking they are all "winners", and if they fail, some evil heterosexual white man born into "privilege" somehow took it away from them. I strongly suggest you Google "The Dark Enlightenment", which is an anti-Egalitarian movement I know would greatly interest you.

Dr. James Sears, Editor-In-Chief

I see that community activists sprayed your storefront with graffiti again. I hope now you get the message that you're not welcome in our community!

Richard Watkins, Upper Beach

The people perpetrating this vandalism are in the minority. Most of them are Marxist pedophiles that do not live in our community. The vast majority of people living in our delivery area feel blessed to receive our literary sacrament. Also,

according to the graffiti bylaw, the city must clean racist, "triggering" graffiti (Swastikas, words like "Nazi") from private property at TAXPAYER EXPENSE, so it does not affect us; but we feel sorry for our poor landlord having to replace our smashed window (we have a 10 year lease).

Dr. James Sears, Editor-In-Chief

Thank you for re-invigorating my marriage! After 15 years together, my husband and I have almost run out of things to talk about. Dinner-time conversation has become oh so banal - stuff like global warming, transit woes, the war on terror, political scandals blah blah blah. But every month we receive Your Ward News and we have something to share a laugh over. Your writing style is sophisticated and subversive, and yet so subtle that one would almost be fooled into thinking that it was not "tongue in cheek." (It is "tongue in cheek," right?) Yours fondly,

Lola T.

My past experience "re-invigorating marriages" involved women thinking of me while making love to their husbands, or me pleasuring them as their husbands hid in the closet & watched. I am glad that my prose is providing you with foreplay material (or perhaps you prop the paper up on your nightstand so the two of you can fantasize that you are performing for me). And NO, the paper is NOT "tongue in cheek" ... unless of course you are working undercover for the "Hate Crimes Unit". Then yes, totally not serious. We think Kathleen Wynne is a saint, Trudeau is Mensa material, and we admire those righteous, peaceful, God-fearing Zionist Jews!

Dr. James Sears, Editor-In-Chief

I've noticed that you don't put pictures of Nazis in your publication or mention Hitler like you used to. Does it have to do with the cops investigating you?

Samantha, Victoria Park Avenue

NO! We temporarily went all-out Hitler and Jesus to teach a lesson to the Jewish postal worker who refused to deliver our paper and the ZioMarxist anti-free speech groups that stirred up the media storm and hate crimes complaints against us. After they lost the skirmish, they appear to have backed off. We stand ready. If they start up again with their anti-gentile rhetoric, then our front cover will feature Ilsa, She Wolf of the SS, serving pork

schnitzel sandwiches to Adolf Hitler, Jesus Christ, Donald Trump, Vladimir Putin, Rob Ford and the Easter Bunny, as they all sing Christmas carols!

Dr. James Sears, Editor-In-Chief

I love reading your paper. Me and my wife live in Scarborough and don't receive it in the mail, but it's passed onto us by family that live out your way. I do not agree with many of your political views, or your views on science and religion, but I really enjoy your relentless assault on Kathleen Wynne and the Liberals. It's just nice to see that not every form of media and politics has been killed by politically correctness. I always enjoy Shep the Talking Dog and was sad to hear his piss wall got vandalized.

Dave B, Scarborough

You do not agree with our views on politics, science or religion, so theoretically you should LOATHE us. See how having Kathleen Wynne as a common enemy brings people together? I learned that from Hitler!

Dr. James Sears, Editor-In-Chief

You make me proud to be Greek.

Georgina Papadopoulos, Thorncliffe Park

Yes, I consider myself a modern-day Greek philosopher, though some readers feel I deserve the fate of Socrates (he was sentenced to death for impiety and corrupting the youth).

Dr. James Sears, Editor-In-Chief

You're disgusting! You're probably compensating for a small penis. I feel sorry for your wife.

Cindy MacFarlane, Don Mills

In China they never mock men's penis size ... it is always the woman's vagina that is too loose. After Epicanthoplasty (rounding the eyes), their top surgical procedure is Vaginoplasty (tightening the vagina). It is about time Canadians emulated this wise, ancient culture.

THE 1st ANNUAL TORONTO OLD-FASHIONED ANTI-MARXIST BOOK BURNING

Bring the whole family out to help us fan the flames of Canadian political history,
as we cleanse the body politic of commie filth.

Graphic Editing By ROBERT JAMES

The New Constitution Party of Canada is proud to **present The 1st Annual Toronto Old-Fashioned Anti-Marxist Book Burning**, featuring educational speeches by NCP members, live music courtesy of the Beaches Blues Festival, refreshments and food courtesy of Dr. James Sears, and of course, the burning of Marxist effigies and books.

Attendees are encouraged to bring Marxist books to be arraigned by Dr. James Sears. Any book he finds guilty of corrupting our body politic will be sentenced to the ash heap of history, and dropped into the fire pit.

We welcome all Marxist books: Marxist doctrine like the Communist Manifesto; cultural Marxist filth like Kathleen Wynne's pedophilic sex education curriculum; FemiMarxist garbage by authors like Margaret Atwood; EnviroMarxist Agenda 21 propaganda by scientific sellouts like David Suzuki, etc. We are open-minded and will terminate any parasitic prose, without prejudice.

ITINERARY: We will announce a detailed schedule of events and speakers soon. If you or your group would like to speak at our event, please contact Dr. James Sears at www.NCparty.ca.

PLEASE NOTE: No matter how tempting, we will not burn religious scripture or national flags. Our sharp focus will be on Marxist books.

ONE FINAL NOTE: Unlike the Marxists, we terminate books we disagree with--not the authors themselves.
